

"We were treated like we belonged at Royal Geelong."

alone a two metre long python in a yacht club?

The excellent YouTube videos from MA Productions are available for all to view. Many thanks to Tom Alexander and Ollie Manton for their dedication in creating video to promote this event.

The Championship results were:

Australian Champions:
Brad Devine & Ian Furlong sailing AUS 662 Del Boca Vista (also 3rd in the Worlds)

World Champions:
Glen Truswell & Sam Pascoe sailing GBR 1543 Crumpet

Worlds Teams: Australia 1 Team:
Brad Devine, Lindsay Irwin, Dave Heyter, Stuart Sloss

As Chairman of the Organising Committee I thank the committee members, all the competitors, staff, contractors, volunteers and funding supporters of this event. The 2015 I 14 World Championship

was highly successful by any measure. We are providing world class events that generate enjoyment for all involved and provide a showcase for sailing at a very high level. Our community benefits through economic activity and the promotion of a healthy sport that they may wish to join.

Royal Geelong Yacht Club has provided excellent World Championship events in 2014 and 2015 and many other National and State Championships in that time. We also run the highly regarded Festival of Sails every year. With a pedigree such as this, we are clearly regarded as a venue of choice for any championship regatta. The recent announcement that the venue for the 2017 Viper World Championships is here at RGYC demonstrates how the Club's reputation for success is spreading.
