

**PACER SERIES
2014-2015**

The Pacer Series started in November 2014 with twelve women and six Pacer boats.

The whole series was plagued by terrible weather that all crews had to contend with.

The conditions meant that a few crews ended up in the water learning to swim. Overall it was an excellent learning experience for all the competitors.

All the women are looking forward to the 2015-2016 season with some more sailing, learning, new experiences and challenges.
