

# TWILIGHT RACING AND RESULTS

The 2015/16 Victorian Regional Channels Authority Twilight series was another successful racing program. This year we welcomed a number of sponsors on board during Twilight racing, as well as hosting the annual Ford regatta, and welcoming V8 Supercar driver Garth Tander thanks to Morris Finance. Amid the fun and frivolity, there was still some serious racing to be had! Congratulations to the winners of the Victorian Regional Channels Authority Twilight Series.
