

PHOENIX

BACK TO BACK CHAMPIONS

It was a year of championships for Brenton & Jen Carnell and their crew on the Sydney 38, Phoenix. Reigning National Champions, they won the Victorian State Championship hosted by Sandringham Yacht Club in April 2015.

As part of the lead up and promotion of the 2016 Festival of Sails, Phoenix was featured on Channel 7's "Weekender" program in December, with host Cameron Ling visiting the Royal Geelong Yacht Club

and heading out onto Corio Bay for a sail in the wind and rain – taking the helm and learning the ropes (literally!).

The Sydney 38 National Championships were held during the 2016 Festival of Sails, and on their home waters Phoenix managed the win to take out back to back National titles in the Sydney 38 class.

Congratulations to Brenton & Jen Carnell and the crew of Phoenix on a stellar season!
