

SOCIAL EVENTS

The 2016/17 season saw a number of new social events introduced at Royal Geelong Yacht Club. From DIY diesel engine maintenance to yoga, there was something for everyone.

The Twilight Family Christmas evening was hugely popular again, with a visit from Santa and plenty of activities for the kids. The New Year's Eve on the Mezzanine event sold out

and all who attended had a fantastic time celebrating the end of 2016 and welcoming 2017.

The regular trivia nights have introduced some friendly competition to the Friday night Members' Nights. Thank you to Stephen Renfree, Phil Francis and Christie Alberts for their efforts in coordinating these entertaining additions.

Piccadilly Twilight market came to Royal Geelong Yacht Club for a once off event that attracted more than 500 people to our club and raised over \$500 for River's Gift.

High teas, whisky tasting, rum tasting and unique car cruises all featured as part of the RGYC social calendar, and we look forward to socialising with our Members even more in 2017/18.
