John Apted

Jonna Apted

The Apted Family moved to Geelong from St Mary's in Tasmania in 1956 and Dr John Apted joined Dr Godfrey Taylor in a General Practice in Donnely Avenue in Norlane . A few years later the practice had grown and moved to the corner of Spark's Rd and the Melbourne Rd in Norlane.

In 1961 we all moved to Sydney so Dr John Apted could study for his Dermatology Degree (DDM). We moved back to Geelong in 1964.

John and Jonna sailed together in Herons (Skidbladnir), Flying fifteens (Ffrigga), Diamonds (Finesse and Diana), Etchells (Boadicea), S80's (Rascal), Spider 32 (Spiderman), and an Endeavour 26 (Twinings).

Dear Sir,

I have a fair sized cup which I would like to donate to the skipper of the Flying Fifteen winning the greatest number of handicap aggregate points in the season.

It is felt that this would be one way to help in the promotion of yachting and I would be grateful if you would accept this gesture.

Yours sincerely,

Dear Dr. Apted,

Thank you for your letter of 2nd July enclosing a cheque for \$100.

The Committee was prepared to accept your undertaking to pay the engraving and replica costs each year. However, in accordance with the Sub-Committee's findings in relation to Trophy procedure, we are very pleased to accept this \$100 as a more satisfactory arrangement.

There will be a Debenture taken out in your name for this \$100, and the interest on this Debenture will provide for the engraving and replica costs each year.

The General Committee is most grateful for your action in this matter.

Yours faithfully,

Brian L. Saunders, A.A.S.A.,  
Hon. Secretary
