OCEAN YACHT RACE.

The secretary of the Geelong Yacht Club, Mr. Walter Wiggs, has received a letter from the Mersey Yacht Club, Tasmania, extending a hearty welcome to Victorian yachtsmen who intend visiting the island waters in connection with the forthcoming ocean yacht race to be conducted by the G.Y.C. for "the Rudder" cup. The club also asks for information regarding a proposal to hold a £25 ocean race in Tasmanian waters. Mr. T. A. Dickson's new mower yacht is likely to be the only Geelong boat in the race, and a total entry of about a dozen cruisers is expected.
