RGYC offers members and visitors safe and affordable long term or casual boat storage in the north facing Marina in a bay of protected waters.

The Club's marina offers 278 secure wet berths and additional storage for 35 on the hard stand. Storage charges are very affordable. Our professional and friendly staff can assist with boat slipping and provide an extensive range of specialised marina services.

The RGYC yard is monitored by CCTV and has all the amenities required by any sailor: power, fresh water, shower facilities, diesel and unleaded petrol and access to catering. Chandlers and a sailmaker operate close to the club.

It is conveniently located on the award-winning Geelong waterfront, from where it is only a 200-metre stroll into the city CBD with access to entertainment, supermarket, speciality shops, restaurants, gymnasiums and health facilities.

For more information on RGYC, including our [Marina Evacuation Plan](#), please see www.rgyc.com.au.

A woman with a long, light brown braid is seen from the back, wearing a white and navy blue striped shirt. She is looking out over a marina filled with white sailboats. The scene is bright and slightly hazy, suggesting a sunny day. The text of the document is overlaid on the right side of the image.
