WELCOME

Established in 1859, Royal Geelong Yacht Club is one of the oldest sailing clubs in Australia and is situated in the heart of the City of Geelong.

Our exquisite setting and great facilities ensure that members and guests enjoy the best a yacht club can offer in an exceptional location, just 200 metres from entertainment, restaurants, accommodation, supermarket and specialty shops.

RGYC offers a complete range of activities for all abilities of sailor and non-sailor, male and female, young and not so young, from World Championship and Olympic hopefuls, to those who simply want to go out on the water for fun, relaxation and adventure.

The Club offers training programs for all generations: juniors, youth and adults: including Discover Sailing introduction experiences, twilight sailing, how to crew on dinghies, keelboats and powerboats plus our 'Learn To Sail' Sailing Academy courses. Qualification courses for navigation, powerboat handling, radio operators certification and various safety courses are also regularly scheduled.

Royal Geelong Yacht Club is a leader in regatta and event management. We organize and host the annual Festival of Sails, biennial Wooden Boat Festival of Geelong, as well as World, National and State Championship yacht racing.

We invite you, your friends and family to join in the fun here at RGYC, where we truly have something for everyone.

There are also a wide range of social activities and events as well as an on-site cafe and Member's Bar for those simply want to socialise.

RGYC was named the 2020 Australian Sailing Club of the Year and Community Clubs Victoria 'Regional Community Club of the Year' 2020. In 2021, RGYC achieved a 4 Gold Anchor rating in the Marina Industries Association Gold Anchor International Rating Scheme.

OUR EARLY HISTORY

Royal Geelong Yacht Club is located on land of the Wadawurrung people who have inhabited it for over 25,000 years

The great navigator and cartographer Matthew Flinders met several of the local people when he visited the area in May 1802.

“When Matthew Flinders climbed the You Yangs in 1802 he gazed down on what we now know as Corio Bay. Flinders was, of course, a sailor but little did he realise that what he was looking at was, within a comparatively short space of time, to become recognised as one of the finest aquatic amphitheatres in the world.”

Corio Bay’s 30 square kilometre inner harbour – with deep water right up to the shoreline and high ground to the west and to the south – created a superb venue for participants in aquatic sports and for their spectators.

“It was probably the sight of ship’s gigs and long boats running between ship and shore which prompted the idea of aquatic competition in the harbour at Geelong and there is a report in the Geelong Advertiser of a regatta being held on March 20, 1844 – ‘the various races went off in a manner which called forth the admiration of the assembled spectators.’” (Champ J. “The Wind is Free”).

This regatta is now held annually in January and is known as the Festival of Sails (FOS). FOS continues to be the largest keelboat regatta in the Southern Hemisphere.

There were thirteen Geelong Annual Regattas between 1844 and 1859, at which point the name Geelong Yacht Club was adopted. The first meeting of the Committee of the newly formed yacht club took place at Macks Hotel on an unspecified date in May 1859, with Captain McPherson – who was later to be appointed Commodore – in the chair.

After an initial attempt in 1903 to become Royal Geelong Yacht Club, eventually Royal status was granted to the Club in 1924.

Permanent and respite care available

At TLC, we think differently about aged care. We offer the highest quality residential aged care along with state-of-the-art community medical centres located at all of our homes. Our residents benefit from on-site health care provided by general practitioners, physiotherapists, dietitians, podiatrists, registered nurses, enrolled nurses and personal care staff.

TLC's infection prevention and control measures are second to none. We were among Australia's first aged care providers to purchase large quantities of medical and personal protective equipment at the start of the pandemic, ensuring our rapid response teams and staff were protected and well-trained in advance of a potential outbreak.

We were also among Australia's first aged care providers to vaccinate residents against COVID-19, offering Pfizer COVID-19 booster doses to residents and staff, and rapid antigen testing every staff member and visitor to our homes. As a result, TLC homes remained free of COVID-19 for the first 21 months of the pandemic, a record of which we are incredibly proud. Caring for our residents is our unwavering focus.

With three superb locations in the Geelong region including Belmont, Armstrong Creek and Wallington, TLC Aged Care's approach to thinking differently about aged care makes choosing the right home simple.

Located in the heart of Belmont, close to shops and public transport, The Belmont offers high-quality aged care in a peaceful, modern setting. Planning is currently underway to expand the

unique range of facilities and services available at The Belmont. We will soon be expanding our state-of-the-art gymnasium and incorporating another of our popular hydrotherapy pools.

Warralily Gardens is a unique residential aged care home that opened its doors in Armstrong Creek in 2018. It features the facilities and services you expect from a five-star resort. Residents enjoy a gymnasium, hair and beauty salon, cinema, café, hydrotherapy pool and a TLC Sports Bar. Our sports bars offer a range of complimentary beverages including beer on tap, expansive sporting audio visual to watch your favourite games, a pool table, and a pinball machine.

Homestead Estate at Wallington, just outside Geelong, recently completed an impressive redevelopment. It offers the facilities, modern design and quality décor that residents and their families have come to expect from TLC's homes. Homestead Estate now offers a gymnasium, hair and beauty salon, cinema, café, sports bar and hydrotherapy pool.

To see firsthand how we think differently about aged care, visit tlcagedcare.com.au or call **132 TLC** to arrange a tour.

VISITORS

Visitors are always made very welcome at Royal Geelong Yacht Club, both on the water and in the clubhouse and cafe.

Many of our members started their sailing lives as curious first-time visitors but were so captivated by the friendly atmosphere and the facilities available, that they soon became a part of the Club themselves with a new circle of friends.

If you are a not yet a member, we would be delighted to offer you an opportunity to experience the thrill of sailing in our Wednesday Twilight races.

The Twilight Series is an enjoyable summer social sailing event. Participants love to relax on their boats or in the clubhouse after sailing is finished.

The first step to enjoying a Twilight race is to call the club office and register your interest. Following such a great evening on the water, try one of our Sailing Experiences or a Learn to Sail Course.

Visitors and public are welcome in The Yot Café to enjoy a coffee or meal on the deck overlooking the marina.

Members can also bring visitors to enjoy the Member's Bar and experience the camaraderie at the club with a view to becoming members.

CRUISING GROUP

If you want to cruise, we've got the group for you. It's all about fun, adventure and shared experiences for our vibrant cruising group.

The RGYC Cruising Group meets for regular dinners from March through to November. The dinners are themed and often have a guest speaker scheduled. Topics range from cruises undertaken by members to technical aspects of yachting and boating including passage planning and engine maintenance. All RGYC members and their guests are welcome to attend.

The Cruising Group often arrange extended cruises for those interested. Past cruises have included visiting the Gippsland Lakes, Top of Tassie, Hobart and Flinders Island.

These trips are structured to assist new boaters venture further afield with the safety of more experienced members. RGYC also partner with RYCT to organise the biennial Van Diemen's Land Cruise (VDLC) which circumnavigates Tasmania as a cruise in company with yachts from around Australia and the World.

Other short cruises are arranged at short notice for an overnight at a nearby anchorage or destination when schedules and weather permit, such as trips to the football at Docklands. There are no pre-requisites to becoming a member of the cruising group. Simply attend any activity and enjoy the benefits of being around like-minded sailors.

POWER BOATS

Royal Geelong Yacht Club is home to over 45 powerboats and has an active powerboat community. The division caters for both social and competitive power boating.

RGYC Power Boat group hosts tours and a series of NavRallies (Navigation Rallies), a competition where boats must nominate their boat speed and, on the day, proceed around the course at their nominated speed passing positions at specified times. Points are lost for being too early or too late at the various positions on the course.

There are no pre-requisites to becoming a member of the power boat group - simply attend any activity and enjoy the benefits of being around a boating community.

WE HAVE *peace of mind*

Kay and Bruce love sailing and have an active social life. They want their kids to enjoy life as well. That's why the last thing they want to be is a burden. Moving to a Ryman retirement village meant the best of both worlds. And they couldn't be happier.

These two are always on the go. "We're so busy because there's so much happening." But they know that health can change. And that's why they chose peace of mind for their family. Kay and Bruce know that if their care needs change in the future, they can stay together at their Ryman retirement village. Well cared for and worry-free.

"We didn't want to burden our kids."

Kay & Bruce,
Ryman residents

WE ARE RYMAN PIONEERS

We're committed to pioneering retirement living for one simple reason. To better serve a generation of Australians.

That's why Ryman retirement villages are named after Aussie trailblazers. Charles Brownlow, Sir Weary Dunlop, Dame Nellie Melba. They pushed further, they went beyond the ordinary. Which is exactly what we strive to do, every day, at Ryman.

Our friendly, inclusive villages offer independent living with comprehensive care options. From assisted living in a serviced apartment to residential aged care (low care and high care) and specialist dementia care. We've put everything in one place so you can embrace life today without having to worry about the future. It's another example of how we're pioneering a new way of living for a new retirement generation.

Cosmetic Refinement Clinic

GEELONG

A successful treatment for us is having a patient who:

- Retains their character in his or her face
- Appears comfortable and content in their age
- Radiates, health, vigour, and confidence

And most importantly shows no signs of having had any cosmetic treatments.

*Say hello to a
refreshed, rejuvenated
reenergised & refined
you*

We assess each and every patient individually to ascertain their individual wants and desired outcomes. Together with our patient we formulate a treatment plan that will give our patient a look that is healthy and fresh, without looking as if they have had any 'work' done.

It may only need a tiny bit of antiwrinkle treatment, or we may have a long term goal consisting of multiple small treatment sessions with fillers, ultherapy and skin care.

Each patient has their own journey.

FESTIVAL OF SAILS

The Festival of Sails combines history with tradition; heritage with technology; tactics with teamwork; while music and the smell of fine food wafts across the bay from a festival of shore based entertainment.

First held in 1844, the Festival of Sails has consistently attracted the highest calibre of sailing craft and crew, family and friends, attracting over 100,000 visitors every January.

In 1997, the successful merger of the Geelong Waterfront Festival and the Royal Geelong Yacht Club's historic Australia Day Regatta saw the beginning of a new Victorian Major Event – the Festival of Sails. The Festival of Sails is strongly supported by the Government of Victoria and the City of Greater Geelong along with many other business partners.

Despite numerous name changes over the years, thanks to generous corporate support, the essence of the event has remained true, as the largest annual yachting regatta in the Southern Hemisphere.

The Festival of Sails has evolved over many years culminating in its current position as the foremost competitive annual keelboat regatta in Australia.

The event has consistently attracted both exciting yachts and a public keen to soak up the essence of the event. Royal Geelong Yacht Club takes great pride in its role as host of a regatta whose reputation for high quality racing and great entertainment expands each year.

There is something for everyone at the Festival of Sails.

For more details, visit the dedicated Festival of Sails website at www.festivalofsails.com.au

WOODEN BOAT FESTIVAL

The biennial Wooden Boat Festival of Geelong sees an array of wooden boats arrive from all over the country to parade and compete.

The event displays the craftsmanship and passion of wooden boat owners and enthusiasts.

The Wooden Boat Festival provides a unique chance for visitors to see first-hand some of the most historic wooden boats in Australia and the spectacular sight of classic yachts sailing into Corio Bay thanks to the reintroduction of the Passage Races from Portarlington to Geelong.

With a Grand Parade of Boats, wooden boat builders demonstrating traditional crafts like caulking and steam bending timber and lots of entertainment on dry land such as the Royal Australian Navy Band, tall ship exhibitions and experiences, and the St Ayles Skiff rowing competition, it is an event not to be missed.

WORLD-CLASS EVENTS

RGYC hosted an
unparalleled event
season during the
summer of 2019-20
– the delivery of the
largest number of
events in our Club's
proud 163-year history.

Our Club has a long-standing reputation for
delivering high quality events through its annual
Festival of Sails and biennial Wooden Boat Festival
of Geelong. Through the success and growth of
these festivals, we have proven our capacity to
deliver complex events and so we now attract more
world class events to the Club.

The summer of 2019/20 saw the culmination
of many years of hard work and planning come
together in the delivery of a variety of National
and World Championship events in addition to our
regular activities. The events included the Cadet
National Championship, the 49er, 49erFX, Nacra 17
Oceania Championships and World Championships
and the Laser Masters Oceania and Australian
Championship and World Championship. The
program was so significant that we created its own
brand – the RGYC '2020 Summer of Sailing'.

VOLUNTEERS

Without our Volunteers, RGYC would not be able to operate as successfully as it does – across all major events and club activity.

Their contribution is vital to ensure a successful and well-organised Club environment and without them there would not be the extensive sailing calendar that members enjoy each year.

Volunteering is a great way to keep yourself busy, use your existing skills and learn new ones.

These are just some of the important positions filled at the Club by its dedicated band of volunteers.

There is always a need for a Race Officer (person in charge of conducting the racing), a driver and crew for the Start Boat which marshals the race and for the Safety Boat, which looks after the welfare of the competitors, as well as people to lay the marks, record the finishing times and collate the results.

On-shore roles include radio operators, judges and first-aiders, while instructors, assistants, coaches and support staff are always needed to help deliver the numerous courses provided each year by the Sail Training Academy.

The Club offers support and provides courses to help volunteers gain the qualifications needed to fill all these responsible roles.

Other opportunities for volunteers exist in the Sailability section, in the yard and marina and in the Club's major sailing regattas.

PARTNERING WITH RGYC

Partnering with RGYC provides your business with the opportunity to strategically position your brand, connect with our members and visitors, and develop relationships with other sponsors and partners of the Club.

RGYC utilises both traditional and digital media (including major events and our significant social media reach) to facilitate communication with our members, commercial partners and the broader community. Our major events present the perfect opportunity to showcase your brand to many thousands of visitors to the Geelong waterfront and RGYC.

Many businesses sponsor RGYC and we value their contribution to fostering community involvement at the club, and for helping us to support and develop new generations of sailors.

In turn, our sponsorship partners benefit from marketing their businesses to a growing membership of people who share a passion for being outdoors. As such, our club is focused on developing long-term, mutually beneficial partnerships.

If you are interested in partnering with RGYC, the Festival of Sails or the Wooden Boat Festival or for further information visit our website www.rgyc.com.au.

HOW TO FIND US

BY TRAIN

Trains from interstate and capital cities arrive at Melbourne's Southern Cross Station allowing easy ongoing connections to Geelong, with a travel time of approximately an hour.

See www.vline.com.au for further timetable and ticketing information.

BY BUS

Daily bus services are available from interstate to Melbourne and connections to Geelong can be made via rail or connecting shuttle services.

BY FERRY

For those travelling from the other side of Port Philip Bay, you can catch the Port Phillip Ferry across from Docklands Melbourne directly to the Geelong waterfront. This is a short walking distance to RGYC. Check their site for timetables:

www.portphillipferries.com.au

The Peninsula Searoad Ferry also provides a car and passenger ferry service connecting the Mornington Peninsula to the Bellarine Peninsula. The service runs hourly from 7am to 7pm, every day. Geelong is a 30-minute drive from the ferry disembarking point at Queenscliff. Ticket information is available at www.searoad.com.au.

BY AIR

For those travelling from Interstate, flights are available to Avalon or Tullamarine airports, with connections to Geelong available by hire car, train or airport buses.
